

## HEALTHCARE INDUSTRY

# INTELLIGENT PLATFORM ROADMAP

Accelerate healthcare innovation with a secure AI-driven foundation.

## Your technology choices today shape better care tomorrow.

Healthcare organizations face unique challenges: fragmented data across EHR systems, strict compliance requirements and the need for better patient outcomes. Our **Intelligent Platform Roadmap** helps you align strategy and execution leveraging Azure, modern applications and unified data & AI to transform care.

Accelerate clinical outcomes and healthcare innovation with a clear, actionable roadmap for your cloud and AI strategy. We align your Azure platform, applications, and data with organizational priorities for clarity and confidence. Whether enabling AI for insights, ensuring compliance, or unlocking healthcare intelligence, we start where impact is greatest and build a secure, scalable foundation for growth.

## Your Roadmap to Get There

We provide a structured engagement that provides clarity and direction for your healthcare transformation. Our approach ensures you know where to start, how to prove value quickly and achieve lasting outcomes.

### DISCOVERY & ASSESSMENT

Review current Azure environment, EHR integration & compliance needs.

### ROADMAP DEVELOPMENT

Set priorities for clinical workflows, apps & data.

### POC ALIGNMENT

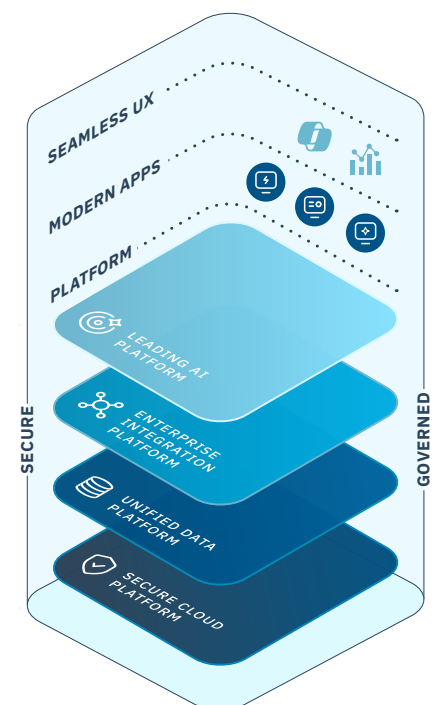

Validate ROI with a proof of concept.

### EXECUTIVE READOUT

Deliver a clear, actionable plan for execution.

## Your Foundation for Healthcare Innovation

Secure Azure platform, modern apps, and unified data & AI working together to improve patient outcomes and operational efficiency.

# The Results You'll See

We deliver tangible results not just plans.

## FASTER TIME-TO-VALUE

Accelerate critical healthcare initiatives.

## COST CONTROL & COMPLIANCE

Optimize spend while meeting HIPAA & HITRUST standards.

## SCALABLE, SECURE PLATFORM

Prepare for growth & AI-driven care.

## ALIGNED PRIORITIES

Focus resources where they matter most.

## MEASURABLE OUTCOMES

Track progress, including POC success.

## How We Work With You

Your roadmap puts strategy into action aligning your team from Day One with a proof of concept that demonstrates ROI, builds momentum and sets the stage for AI-driven transformation.

### COLLABORATE FROM DAY ONE

Align on priorities and ROI for each AI use case.

### FOCUS WHERE IT MATTERS

Prioritize high-impact initiatives for measurable outcomes.

### VALIDATE EARLY

Use proof-of-concept to demonstrate value & build confidence.

### ACCELERATE ADOPTION

Move quickly from idea to enterprise-scale impact.

## Why 3Cloud for Healthcare

### + AZURE-ONLY EXPERTISE

500+ Azure experts & engineers with 2,500+ Azure engagements annually.

### + PROVEN APPROACH

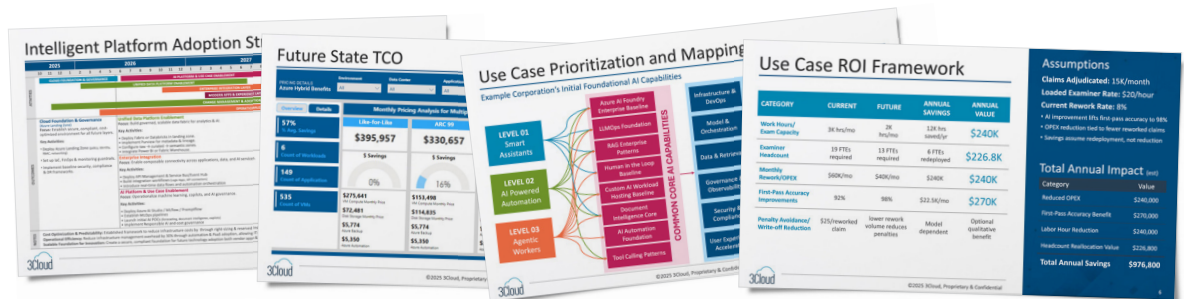

Structured methodology tailored to your organization.

### + END-TO-END PARTNERSHIP

From strategy through implementation and beyond.

HEALTHCARE INDUSTRY

# INTELLIGENT PLATFORM ROADMAP

Accelerate healthcare innovation with a secure AI-driven foundation.

## Your technology decisions today define your competitive edge tomorrow.

Accelerate business value and enterprise-scale innovation with a clear, actionable roadmap for your cloud and AI strategy. We align your Azure platform, applications and data strategy with business priorities giving clarity and confidence. Whether your goal is enabling AI, strengthening governance or unlocking business intelligence, we start where impact is greatest and build toward a secure, scalable foundation for growth.

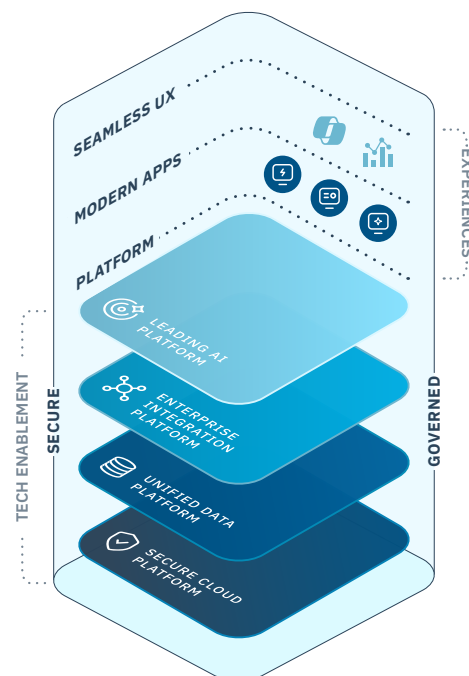

An **intelligent platform** is the backbone of an AI-enabled enterprise, bringing together key components for speed and confidence.

- Azure for scalability, security & governance
- Modern apps for agility & experience
- Unified data & AI for insights and automation

This foundation drives faster decisions, streamlines operations and promotes rapid innovation.

## Your Foundation for Innovation

Secure Azure platform, modern apps, unified data & AI—working together to accelerate business outcomes.

## Your Roadmap to Get There

We provide a structured engagement that delivers clarity and direction for your transformation journey. Our approach ensures you know exactly where to start and how to prove value quickly and achieve lasting outcomes.

### DISCOVERY & ASSESSMENT

Understand current Azure state & objectives.

### ROADMAP DEVELOPMENT

Define priorities across Azure, apps & data.

### POC ALIGNMENT

Validate ROI with a proof of concept.

### EXECUTIVE READOUT

Deliver an actionable, practical plan for execution.
